TO: SHREWSBURY RESIDENTS
FROM: MAYOR & BOARD OF ALDERMEN OF THE CITY OF SHREWSBURY
SUBJECT: KENRICK MANOR SUBDIVISION VANDALISM
DATE: FEBRUARY 19, 2021

An Open Letter to the Community

This week, a house in the Kenrick Manor Subdivision was vandalized for a second time this year. There has been much community discussion about what this means, about what the intention was, and about what message this action sends to the victim.

The Board wishes to be very clear on this point: all of our residents are important to us and we will ever protect and promote their well-being, supporting and caring for them through trials such as this.

In this case, we will aggressively pursue the perpetrator of this crime. To this end, we support the Shrewsbury Police Department's efforts to investigate this vandalism; and we furthermore encourage any members of the public which may know any useful information in this case to provide such to our police.

Please continue to care for and protect each other, and above all, treat one another with kindness.

Sam Scherer
